

FEASIBILITY STUDY TO BEGIN!

Sacred Heart Catholic Church has begun a master planning process to meet the current and future needs of our parish and school. At this time, we are happy to announce that we have made the decision to take the next step: a Feasibility/Planning Study in preparation for conducting a capital campaign.

Because careful arrangement and thoughtful planning are required for any successful venture, the advice of our parishioners and school families is essential. Your participation in this study is an important factor in making this project a success. Your input will enable us to formulate a plan of action, and together we can make educated projections concerning the campaign.

GUIDANCE IN GIVING, INC.

To assist us in this process, the parish has retained Guidance In Giving, Inc., a professional Catholic development organization to work in cooperation with our staff in conducting the Feasibility/Planning Study. Guidance In Giving, Inc., who works solely with Catholic parishes, schools and archdioceses, has the knowledge and expertise to help us formulate an appropriate plan of action and to make recommendations regarding the implementation of a successful capital campaign.
